

Chi-X Japan Payment Schedule changes

Chi-X Japan would like to inform Customers about changes to the Payment Schedule. The new Schedule, available on our website [here](#), is applicable effective immediately for new customers and existing customers' new contracts while it will become effective 1st April 2022 for existing contracts for existing customers.

Key Changes:

- Discontinuation of Consumer Firm Licence Fee waiver for CHIXMD subscribers (direct recipients) and datafeed recipients from Vendors and Sub-vendors (indirect recipients).

(Examples: plans for direct recipient)

	Before	After
Chi-Alpha (Trading Purpose)	Free	JPY50,000 monthly
Chi-Alpha (Other purpose)	Free	JPY100,000 monthly
Chi-Select (Trading Purpose)	Free	JPY50,000 monthly (Waived if paying Chi-Alpha licence fee for trading purpose)
Chi-Select (Other purpose)	JPY 1 million monthly	JPY 1 million monthly

- Discontinuation of FIX session bundled discount and fee waiver up to 2 sessions for new orders. Existing customers who have the waved sessions, however, continue to receive those benefits.
- Discontinuation of UTE sessions fee waiver. Existing customers who have the waved sessions, however, continue to receive those benefits.

Please also note that there will be some changes in item names on our invoice from November one as some product names are also revised this time.

Please contact us if you have any questions.

Thank you for your continued support.
